

CAMPAIGN OF THE CENTRAL PUBLIC LIBRARY OF VERIA

"Together we will turn on the lights"

At the 76% of the target, two weeks
before the end of the campaign

Time counts on reverse for the campaign to support the Central Public Library of Veria, since two weeks still remain to reach its goal: to raise the necessary amount of 100.000€ to complete the renovation of the 2nd floor that will lead to the creation of a ultramodern event hall!

How can anyone help? City residents and visitors of the Library have the opportunity to drop their donation directly in the **donation box**, and for those who wish to make a deposit there are the following two **bank accounts** as mentioned in the online platform **support.libver.gr** :

Alpha Bank

Bank account: 537 00 2001 000087

IBAN GR43-0140-5370-5370-0200-1000-087

Piraeus Bank

Also in February, **Public** Stores suggest that the people who buy show tickets online <http://tickets.public.gr/> offer the amount they wish in order to support the library's work.

At first the goal seemed ambitious, but the response and the contributions of the public, from the first moment, from Greece and abroad, were translated into messages of optimism that we will succeed! Especially for Greek people who live abroad, a support page at **Indiegogo**, <https://goo.gl/gliGxa> was

just created so that their contribution will not bear the remittance costs. Within 1 hour the first deposits were already made!

The amount already raised is **76.040,63 €** and we continue!

Two weeks remain to prove that we ourselves have education and culture as our priority, that we ourselves are united in the effort to create one of the most modern libraries in Europe, that TOGETHER WE WILL TURN ON THE LIGHTS!!!
