

## «TOGETHER WE TURN ON THE LIGHTS»

**SUPPORT CAMPAIGN OF THE CENTRAL PUBLIC LIBRARY OF VERIA**

**11<sup>TH</sup> OF JANUARY-29<sup>TH</sup> OF MARCH IN 110% OF THE TARGET**

**The renovation of the 2<sup>nd</sup> floor is completed thanks to your support**

**WE THANK YOU**

We are both delighted and honored, and filled with deepest gratitude, to announce the successful ending of our campaign, as on Monday the 29<sup>th</sup> the short period of extension was completed.

The contribution of the people even until the last day was overwhelming. All together we managed to gather 110.640,6 €, that is over the 110% of the target, surpassing all expectations and mainly transmitting an all-important and hopeful for our times message that: "The strength of the many makes it!"

During this period, from the 11<sup>th</sup> of March, the rhythm of the people's interest was the one which defined, coordinated and supervised the rhythm of the renovation. Depictions and designs were taking shape and our vision day by day, was becoming reality.

The 2<sup>nd</sup> floor of the Library, which could not be completed without your support, is now ready to open its gates to all of you who shaped it. On Friday the 15<sup>th</sup> of April all together we turn on the lights, with a two -days celebration dedicated in learning, knowledge and creativity, which will be very shortly announced.
